PATENTED GATE

Every Guardian Pool Fence System comes with the option to install our patented mesh gate. We use the best materials and hardware on the market to bring you the highest quality pool gate in the industry.

CLIMB RESISTANT
SELF-CLOSING
SELF-LATCHING
KEY-LOCKABLE

Premier Pool Fence

Guardian's Premier Pool Fence is our strongest system. The World's Safest Pool Fence. With Self-Closing Pool Gate.

No Holes Pool Fence

Our No Holes Pool Fence provides a sturdy base. These bases can be filled with water. Requires no drilling and easy to install.

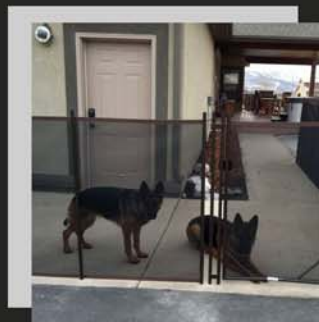

Original Pool Fence

Our Original Pool Fence Pole requires a 1 1/4" diameter deck hole. This size hole has been the standard used throughout the industry.

PET FENCE

Our specialized reinforced mesh that can withstand the scratching and jumping from a variety of pets. This "Pet Mesh" is also transparent, UV resistant, and wind permeable.

LOCKING DECK SLEEVE

Our Locking Deck Sleeves permanently secures your fence poles into the ground and requires the use of tools for both installation and removal. For added safety, removal can only occur while inside the perimeter of the fence.
